

Underdog Training & Behaviour Consulting

Training Weekend: Melbourne 19th/20th March

Underdog Training invites you to a special training weekend on the 19th and 20th March. To make your booking, please contact us by phone 0402 112 105 or email underdogtraining@hotmail.com For previous event reports, please go to www.underdogtraining.com.au

Saturday 19th March

Environmental Enrichment Seminar- An introduction to an extremely important and often over looked program for animal shelters and pounds. Also covers environmental enrichment ideas for 'stay at home dogs' with full time workers.

Start time 11am- Seminar Length 2 hours \$50/ person

Puppy Pre School Overview- This session combines a range of topics related to training young puppies. This session is ideal for those who rescue or foster puppies, new puppy owners and puppy pre-school instructors. Everyone should learn more about this vital time in a dog's life!

Start time 1:30pm- Seminar Length 2 hours \$50/ person

Sunday 20th March

Breed Information Seminar- Discover how to get the very best from different breeds and breed groups. How should we alter socialisation and training for different breeds? Learn what traits are common and what traits are atypical in a variety of common breeds.

Start time 9:30am- Seminar Length 2 hours \$50/ person

Teaching the Elusive- The Off Lead Recall- Can't get your dog to come when called? Want to help foster dogs or shelter dogs who don't come when called? This is an incredible simple, but very effective program that with a bit of commitment- anyone can do.

Start time 12pm- Seminar Length 1 hour \$40/ person

Conducting Behavioural Assessments and Developing Training Programs- This session will be suitable for both those who have not attended an Underdog Temperament Testing Workshop and those who have and would like to further their skills. Attendees will be encouraged to participate in the behavioural assessments during this workshop. In addition to the Underdog Behavioural Assessment being presented, we will discuss how to use a Behavioural assessment to develop an appropriate training program for dogs with behaviour problems.

Start time 1:30pm- Session Length 3 hours including short intermission \$70/ person \$90 per person including rights to Underdog Behavioural Assessment

VENUE: South Eastern Suburbs- Please contact us for venue information

PRICES:

Full Day Pass Saturday- \$90

Full day Pass Sunday- \$135 (without rights) \$150 (with rights)

Full Weekend Pass- \$220

Individuals affiliated with a rescue group or shelter receive either a \$10 discount of one session or a \$20 discount off the full day or full weekend passes. Numbers will be limited for this workshop and once your place is reserved, cancellation fees do apply for late cancellations where we are unable to fill your position or no shows on the day.
